EMERGENCY APPEAL – SUPPORT THE JEWS OF UKRAINE

Please join the **Federation of Jewish Communities of Ukraine** to deliver over **30,000 packages of emergency food supplies** and essential needs **across 180 Communities** in Ukraine.

Dear Jewish Community Leaders,

Friends, the situation facing Jewish Communities in Ukraine is dire. They need your help.

War is brutal. It shatters lives. Divides families. Most of us will be lucky enough never to experience one. But we know from the long arc of history what it can mean for Jewish communities caught in the middle of one.

On behalf of the European Jewish Association I am appealing to you directly to help our brothers and sisters in need in Ukraine at this time.

The Federation of Jewish Communities of Ukraine has pledged to deliver over 30,000 packages of emergency food supplies to 180 Communities there, families and individuals who are not certain of what the future holds for them or where their next meal is coming from.

The Federation of Jewish Communities of Ukraine is the largest body representing 180 active communities across the length and breadth of Ukraine. You can rest assured that your donation will get to where it will make the most difference.

I ask you to dig deep and help your fellow Jews in need today. You can do so here:

I also ask you to share this link as far and wide as possible, let us do all we can to help. Yours gratefully,
